Warning Letter Re: FPPC No. 11/924; Sashi McEntee for Water District 2010; Sashi McEntee, Respondent(s)

Dear Ms. McEntee:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a referral from the Marin County Registrar of Voters that alleged you have failed to file a campaign statement.

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that you and your committee have failed to file a semi-annual campaign statement for the period January 1, 2011 through June 30, 2011 with the County of Marin.

The Act requires that candidates and their committees file campaign statements at periodic intervals. Specifically, the Act provides that candidates and their committees shall file semiannual statements on July 31 and January 31 of each year reporting activity for the prior six month period. (Gov. Code § 84200.) You continue to file campaign statements until you terminate your committee.

Your actions violated the Act because you failed to file a semi-annual campaign statement for the period January 1, 2011 through June 30, 2011, due August 1, 2011. Since you were defeated in the election and it appears you may believe your filing obligations have ended, we are closing our file on this matter.

¹ The Political Reform Act is contained in Government Code sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

You must immediately file your delinquent campaign statement with the Marin County Registrar of Voters. You may want to consider terminating your campaign committee at this time as well.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

Please feel free to contact me with any questions you may have regarding this letter.

Sincerely,

REDACTED
